## ABOUT US - OUR SUPPLIERS & COVID-19

Where's it from? Some people may not care about where their food is from as long as it's cheap, fills their belly and looks nice on a plate. We however want to ensure you know what you're buying.

We source the best local produce we can from our local town of Brixham and within Devon and Cornwall.

- 'Tristan' of Adela BM79 for Fish straight off the boat to plate, landed directly at The Prince William
- Our 5<sup>th</sup> Generation Butcher from the Devon City Of Exeter - family owned since 1860.
- Seasonal Fruit and Veg from our family run wholesale company Frank Mann across the bay in Torquay
- Cornish Ice Cream from Kellys of Cornwall based at Bodmin Moor – made with Cornish clotted cream.
- Crab from the family run Brixham Crab Company
- Mussels from Brixham Sea Farms – grown in Fishermans Cove and Elberry Cove
- Bloody good Devon Cheeses from M C Kelly at Elston Farm in Credition

Everything else is bought in from local wholesalers supporting our local economy and small business. We've managed to get some of the best prices possible so our food is fairly priced without compromising on quality or road and air miles. We also make all our own desserts on the menu and most things from scratch!

## COVID – 19 and the NEWLY renovated Prince William

Here at the Prince William we're so pleased to welcome you back. We are a local independent business and this winter of 2020 we undertook the largest ever renovation of The Prince William. We opened for only 4 weeks, then had to close due to the COVID-19 pandemic. We're back now, brand new, with a new menu, as clean as ever and taking every precaution we can in accordance with government guidelines, securing everyone's safety, both staff and customers – we would ask you do the same. This has caused many a headache, but please be patient with us, things may take a little longer as the 'new normal' is not as familiar to us all. We will be seating you and offering table service where possible so as to enable us to sanitise correctly between customers. Please be kind and patient with our team and in return you will get the best service we can offer and a little breather of normality back as we look after you. Be assured that behind the scenes, without all the bravado, we have risk assessments, copious amounts of cleaning products and are ensuring your wellbeing and safety at all times. Follow our easy displayed guidelines and you will be doing your bit too.

We also have a 5 STAR food and Hygiene Rating – the highest rating possible and an award for the quality of our cellar and beer and we've gone all out on the new outside seating so you can enjoy summer 'alfresco'.

Due to restrictions on self-service food – we have had to pause the Carvery, but don't worry – we have a fantastic Sunday Menu with a great big delicious Sunday Roast on it! We've also introduced an outside takeaway and a brand new BBQ service on Saturday and Sunday from 2pm – 8pm weather permitting.

We thank you all for your support and for choosing us to take care of you. If you've enjoyed yourself, tell everyone, if there's been a problem or issue, whisper it to us quietly and we will put it right. Local businesses now more than ever need your support and kindness – we looked after and supported our staff throughout the COVID Crisis – made no redundancies and are a proud local employer of around 65 people. Please also visit our sister venue and Cocktail Bar – 'Liberty' on the other side of the harbour.
